

TGIF - Saturday, 03 November 2018

Date: Saturday, 03 November 2018

Title: Firework celebration and dinner

Saturday is our Principal Day, the afternoon is given over to sailing, see our web-site for details of the planned races and for more information contact Warren McNoe (warren.mcnoe@otago.ac.nz - 027 202 7874).

Not racing, please do come along and spectate. After racing, spectators and racing crews are welcomed back to the Club house for an informal BBQ.

To continue our celebrations, our Commodore, Frank McCarthy will be cooking up a delicious dinner (approx 18:30) this will be followed by fireworks as it gets darker (weather permitting).

We look forward to seeing you on the 03 November 2018. Pre-dinner drinks from 5:30pm & dinner at 6:30pm.

For those of you who would like to attend the dinner please remember to contact Ann (oyc.social@gmail.com) by Thursday morning (if at all possible) with numbers for dinner and any specific dietary requirements. Please note, we can take numbers after Thursday morning but it does make it very hard for our Chef to calculate how many to cater for. So, to avoid possible disappointment book early.
