TGIF - Friday, 18 October 2019

Subject: Otago Harbour photo quiz

Speaker: Barry Crane

This Friday, we will be having a little fun photo quiz to test your local knowledge of our harbour. Just to give you some idea, the photo above has been taken in Dunedin, where is it located? However, all the questions in our quiz will be on and around the harbour. Hopefully, we will put your brains to work, this may help your digestion after another superb meal cooked by our volunteer chef Frank.

Our chef, Frank McCarthy says his main course for this Friday is as follows;-

Steak

Chunky Chips

Mixed salad

when booking let us know how you would like your steak cooked - rare, medium rare or well done.

We look forward to seeing you on the 18 October, Frank McCarthy is our Chef this evening. Pre-dinner drinks from 5:30pm & dinner at 6:00pm.

Please remember to contact Ann (oyc.social@gmail.com) **by Wednesday morning** with numbers for dinner and any specific dietary requirements. Please note, although it may be possible to take late bookings it does make it very hard for our Chef to calculate catering quantities.
