

TGIF Friday 17 May 2019

Our next TGIF is on Friday 17 May 2019, we have decided to make this a Club social evening with a Potluck dinner. We hope that some of our newer Club Members will come along, it is a chance to chat, meet other Members, share stories and nautical experiences.

As autumn continues to forge steadily onward towards winter, now is the time to share the fruits of the garden/supermarket, thick and delicious pumpkin soup with crusty bread, aromatic and spicy stews, apple pies and cream.... Looking forward to seeing you at the Club, to enjoy your company and culinary delights. Shirley will be on hand to assist this Friday.

Although it is a pot luck night it would be lovely to know if you are going to come along so please contact Ann (oyc.social@gmail.com) and say "Yes I/we will be there with a plate of tasty autumnal delights".
