Subject: A Harbour Master's life

Speaker: Steve Rushbrook

Our Harbourmaster, Steve Rushbrook will be giving us an insight to the life and times of a harbourmaster, both in our harbour and around the world. Steve will entertain us with some of his early career on the Thames, possibly some of his experiences in the Gulf War, other ports and of course the day to day work in our harbour. If you haven't met

Steve do take the opportunity to put a face to the man, and a chance for all to chat and see him on terra firma.

Being, 05 November, we may be having some fireworks after Steve's presentation, we will advise later in the week.

We look forward to seeing you on the 05 November, Frank is Chef this evening. Pre-dinner drinks from 5:30pm & dinner approx 6:15pm.
