

TGIF - 12 June 2020

Welcome back to all our Members, we hope you will be able to come along to this Friday's TGIF night.

We do not have a Speaker tonight as we thought it would be nice for us all to take the opportunity to catch up over a meal and drink from the Bar.

As noted by Peter in the Crow'snest, this Friday we will have a Pot Luck dinner, so please bring along your favourite dinner or sweet for us all to sample. Short on time or inspiration or due to social isolating you can purchase from Barry (behind the Bar) deep fried chicken nuggets with fries and other tasty morsels in the basket.

As it is a Pot Luck night there is no need to book in, however, it is always nice to know if you will be with us at the Club, please contact Ann at oyc.social@gmail.com

Looking forward to catching up with you.
