

OYC Labour Weekend Lake Roxburgh Cruise 24-26 October

Frank and Warren invite members (others) to join us on a small family friendly adventure to Lake Roxburgh.

The plan is to meet up Friday night at the grassy picnic area below the dam on the east side of the river, or you can drive up early Saturday morning. On Saturday morning after a leisurely breakfast the group will launch boats and head up the lake.

Depending on wind direction a great place to lunch is McKenzie Beach.

Depending on wind a sail up to Alexandra is a possibility too.

Likely camp site for Saturday night is Gorge creek where in the past we have gorged ourselves on wild asparagus.

Sunday we will head up to Doctors point a beautiful place with loads of old gold mining huts, water races, stone stairs and other gold mining relics.

Monday morning we will all head down lake back to the Roxburgh Dam and home.
